please come to a community
shopping event hosted by ten thousand
villages in bethesda for the benefit of
foundation sca.

The gift store has offered to donate 15% of all purchases made at the store between 5 – 9 pm this Saturday, May 21, to the Foundation for Social and Cultural Advancement.

We are delighted and grateful to **Ten Thousand Villages** for the opportunity which they have presented to FSCA.

The Foundation for Social and Cultural Advancement is committed to helping girls and women around the world live with dignity and build brighter futures for themselves, their families, and their communities. This is done by addressing the needs of the whole woman so that they can truly understand their dignity and live up to their potential.

Foundation SCA aims to achieve this goal on a global scale by partnering with local institutions to address regional needs and engage communal support. In 2010, our programs reached over 1,600 women and girls. This year we are collaborating with a program in Guatemala as well as continuing the development of all 2010 programs. We hope to reach over 2,000 girls, women and families in 2011.

Ten Thousand Villages offers thousands of handmade goods handcrafted by artisans around the world. They offer gifts for your personal enjoyment such as jewelry, scarves, handbags, stationery, games and toys in addition to goods for the home such as linens, pottery, lighting, decorative items and seasonal items such as Easter eggs, nativity sets and Christmas tree decorations. Please visit their website at www.tenthousandvillages.com to learn about this organization and the artisans they partner with around the world.
